

R_kronecker

```
graph LR; R_kronecker[R_kronecker] --> C_kronecker[C_kronecker]; R_kronecker --> ncol[ncol]; R_kronecker --> nrow[nrow];
```

A diagram illustrating the components of the R_kronecker function. A central black box labeled 'R_kronecker' has three blue arrows pointing to three separate white boxes: 'C_kronecker' at the top right, 'ncol' in the middle right, and 'nrow' at the bottom right.
